MEMO from the MAYOR

I hope everyone had a wonderful summer. Our new Town Administrator, Karen Proctor, has done an outstanding job thus far. She has worked very hard to learn and understand the uniqueness of our Town. She has already made significant IT recommendations to help streamline Randi's job. We thank Cheryl Kuechenmeister for her years of service. She is missed but we wish her well and hope she is enjoying her retirement.

In 2006, the Town entered into an ESTIP (Enhanced Sales Tax Incentive Program) agreement with the Foxfield Metro District. Through this agreement the Town agreed to a 50% share of the sales tax revenue generated by the Foxfield Village Center. In June of this year, the General Obligation Special Revenue Bonds for the Foxfield Metropolitan District No 1 were paid in full. The Town has approved the dissolution of the Metro District and the ESTIP agreement terminates with the dissolution. Moving forward, the Town will receive 100% of the sales tax revenue.

Traffic remains the biggest issue. The Town has added additional stop signs to help with speeding and increased the minimum fine to \$200. Despite our efforts, cut through traffic and speeding continue to be huge problems. Over the years, the Board has looked at countless solutions and hired traffic engineers to study the issues but given our limited budget, implementing effective solutions has been difficult. In May, an independent traffic committee comprised of residents was formed. The committee made a very comprehensive and informative presentation to the community in August. For those that were unable to attend, the presentation can be found on the Town's website. In addition, a survey was mailed to the community. The committee will incorporate community comments and make a formal recommendation to the Board. I commend and thank the committee for an excellent job. Hopefully if we are able to implement the committee's recommendations, there will be a dramatic decrease in cut through traffic.

The Board is working on easy-to-understand guides for building permits for various projects such as accessory structures, remodels, additions etc. We hope to streamline the permit process by providing detailed checklists.

Fall Clean-Up Day is Saturday, September 22nd from 8:00 am until noon. The annual Chili Fest is Saturday, September 29th at the home of Pat and Glen Kooi. It is always a fun event and a great way to meet your neighbors.

Have a wonderful Fall. As always, please feel free to contact either myself or any Board member with comments or concerns.

Wednesday, October 31
5:00 to 6:00 pm

Foxfield's Annual Trunk or Treat will be in the
west parking lot at Our Lady of Loreto,

Meet and Greet / Fireside Chats

Call them what you want. As your Trustee-At-Large I would like to host several informal gatherings to better connect with you, our constituents.

The goal is to facilitate two-way conversation, answer questions and provide an opportunity to put a face to a name. To me, two-way communication is essential as a member of the Board and is key to a cohesive community. These chats will hopefully also help me refocus and/or confirm that I am representing your various points-of-view of you, our Foxfield residents, in a nonpartisan manner.

Open House concept to all Foxfield residents at my home - 16719 E Easter Avenue.

How did the program get started?

In 2009 Todd Bol came up with an idea to remember his mother, a teacher who had loved books and encouraged people to read. At his home in Hudson, Wisconsin, he built a box, made it water-proof and filled it with books. It looked like a miniature one room school house, with a sign underneath that said, “Free Book Exchange”. Bol put it on a post outside of his house and invited neighbors to take a book and return a book.

That's when something happened that Bol says he never could have imagined. “People of all ages, men, women, kids came up and just loved the library,” he said. They got excited and they started coming up to me saying, ‘I’ll build you one, do you need books?’”

Today there are more than 60,000 public bookcases registered, present in all 50 states and over 80 countries.

Barking Dogs

The pictures may be cute but in real life, constantly barking dogs are not only annoying but a major source of stress if they live near you!

Dogs are great companions and can be good deterrents to bad guys. They can enrich our lives — unless they bark and bark and bark and never seem to stop.

Dogs bark for lots of reasons, especially if they are lonely or sad, which will often be the case if they're left out all day long.

Please be a considerate neighbor and do not allow your dog(s) to bark constantly.

This is a noise violation of the Foxfield Municipal Code Section 7-2-50 and you can be fined or even issued a summons to appear in court. It's much better to resolve the issue before it goes that far.

DOG WALKER WATCH

The Arapahoe County Sheriff's Office is excited to roll out an updated version of Neighborhood Watch. Residents who are regularly walking, running and walking their dogs are out frequently. These residents understand the routine of their neighborhood and are likely to recognize suspicious behavior, or something that isn't normal.

If you see something suspicious, call 303-795-4711 to report it.

For more information, visit our Dog Walker Watch page at <http://www.arapahoegov.com/926/Dog-Walker-Watch-Program>

Burglary Prevention Tips

Home security is an important aspect of crime prevention. Burglaries frequently occur during weekdays when residents are away at work or school. Every home can be a target; however, there are several steps you can take to reduce your chances of becoming victimized.

Outside Your Home

- Turn on porch lights at night. Lighting is an inexpensive form of security!
- Do not hide house keys in obvious places. Or don't hide them outside at all!
- Remember the 2 foot, 6 foot Rule: Trim bushes to a height of 2 feet off the ground, and tree limbs to a height of 6 feet off the ground to minimize areas where a burglar could hide.
- Be cognizant of barking dogs, as they may alert you to intruders.

Inside Your Home

- Always lock doors and windows, even those on the 2nd floor.
- Install - and use - a security system.
- Make sure your garage door is closed and the interior door is secured, even when you are home.
- Do not leave valuables in open view from of the street.
- Use timers on lamps, radios and televisions. They can provide the impression that someone is home, especially when you are on vacation or out of town.
- Keep a list and photos of valuables such as jewelry and electronics (make/model/serial number). It can help in identifying and returning your stolen items if they are recovered. Keep the list in a secure location.

Additional Tips

- Be alert for suspicious activity and report it immediately.
- Suspicious is something that is out of the ordinary for your area or the time of day.
- Look for suspicious 'behavior,' not suspicious 'people.'
- NEVER presume someone else has already reported the behavior.
- Talk to your community about starting a Neighborhood Watch program, and make efforts to get to know your neighbors.

If you see it, report it!

Give us a call today to find out how we can help you with all your real estate needs.

Jerry Zoellner, 16915 E. Costilla Venue, asked if residents could comment during Board discussions.

Consent Agenda

Trustee Thompson requested that the Treasurer's Report be removed from the Consent Agenda.

- a. Approval of Minutes – June 7, 2018

Open Burning Permit

South Metro Fire Rescue has guidelines for recreational fires which will be posted on the Town website. SMFRA requires permits for all other open fires. The Town will encourage residents to secure permits for recreational fires.

Event Calendar

The Board chose September 6, 7 & 8 for the community garage sale. Mayor Jones will check out a possible date for the Chili Fest.

Town Clerk Gallivan will schedule the Large Item Pickup and Fall Clean-Up in September following the garage sale.

FAQs for Website

Mayor Jones presented a list of regulations for frequently asked zoning and other questions. This will be posted on the website with links to the corresponding municipal code citations.

SAFEbuilt Studio drafted a brochure explaining the new fence regulations which will also be posted on the website.

Terracare Associates Landscaping Schedule

The Board discussed revising the schedule for next year, beginning earlier in the year and mowing more often in the Spring and less often in the heat of Summer. Town Clerk Gallivan was directed to ask Terracare for a more detailed schedule.

Reports

Trustee Goddard recommended the Town purchase two traffic counters at a cost of about \$600 each. It was decided to let the Traffic Committee complete their study prior to the Board making any decisions regarding traffic issues.

Mayor Jones announced that the ESTIP obligation has ended and the Town will henceforth retain 100% of the sales tax collected from the Foxfield Village Center and other locations and online sales.

Trustee Thompson noted volunteers are still needed for the 4th of July Parade and Picnic. She and Town Clerk Gallivan are working on the event.,

Executive Session

At 7:58 pm, Mayor Jones moved to go into an executive session to determine positions relative to matters that may be subject to negotiations, develop a strategy for negotiations, and/or instruct negotiators pursuant to C.R.S. § 24-6-402(4)(e).

Arapahoe County Transportation Forum IGA

Town Administrator Proctor noted this agreement would require Foxfield to assign a representative and alternate to attend the meetings. She noted the Town has no planned projects and no funding available to support a project. She recommended not adopting this IGA at this time and she will follow up with Arapahoe County.

Reports

Mayor

Mayor Jones reported that our Town Attorney is working with the Foxfield Metro District attorney to finalize the paperwork dissolving the District, which would release the Town from any further financial obligations to the District.

Traffic Committee

Josie Cockrell reported on the progress of the Traffic Committee, noting they are moving along well but still working to fill some gaps in their knowledge. Members of the Board of Trustees

Trustee Freas reported his niece, a student at Regis Jesuit High School, has volunteered to paint the pedestrian tunnel if the Town supplies the paint and brushes. Following a second by Mayor Jones, the motion passed by unanimous voice vote.

PLEASE BE A GOOD NEIGHBOR AND CLEAN UP AFTER YOUR DOG

Dog waste is unsightly and smelly. It attracts flies and can transmit disease to other pets and children. As it decays, it is washed into our waterways causing contamination, again spreading disease.

So please be considerate and **always** clean up after your dog.
