## Thank you for choosing Republic Services®!

Your world is your home — and the neighborhood you live in. Republic Services of Denver is proud to provide recycling to the local community. In this program, you receive a 96-gallon wheeled recycling container with a light blue or dark green lid, and a 96-gallon wheeled waste container with a dark blue or black lid. Recycling is collected every other week on the same day as your waste service. Waste is collected once per week on your regularly scheduled service day. Contact us at 303.286.1200, Monday - Friday, 7 a.m. to 7 p.m. and Saturday, 8 a.m. to 1 p.m. for any questions regarding your service!

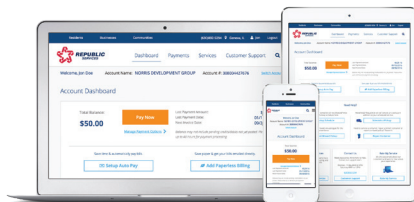

We are proud to service the community with automated natural gas trucks. Please refrain from using your own recycling or waste container. Our trucks are equipped to handle the 96-gallon containers provided to you.

## Service Tips

- Please place your containers at the curb by 7 a.m. on your scheduled service day with the wheels against the curb and at least 3' apart.
- Please place containers 8' away from objects such as mailboxes and parked cars.
- We encourage you to place your waste in a bag before placing it in the dark blue lidded waste container.
- Please do not bag your recyclables; just place them directly in the light blue lidded recycling container. There is no need to sort or separate.
- Flatten and bundle boxes no more than 3'x3'x3'.
- Please do not overfill your container. The lid should fully close.
- Recycling, waste and bulk items are emptied by different trucks at different times of the day.
- Each truck goes through your neighborhood once on your service day.
- Republic Services offers a disability service if you are unable to roll your containers to the street. Please call us for more information.
- Pay by Phone is available by calling 877.692.9729.
- We are closed on the following holidays: 4th of July, Labor Day, Memorial Day, Thanksgiving Day, Christmas Day and New Year's Day. If your service day falls on or after one of these holidays, your service will be delayed by one day.
- For household hazardous waste and/or medical waste, please contact us for disposal options.
- Please call us if your containers require repair or replacement due to damage.

## Extra Containers

Each resident may only use one 96-gallon waste container each week, unless otherwise specified by a city contract or HOA. For the occasional times when you have more than the weekly limit, please contact customer service for assistance. Additional recycling and waste containers are also available if the above limits do not fit your needs (additional service fees apply).

## Bulk Pickup

Please call 24 hours in advance of the requested service dates to schedule a bulk pickup for items such as furniture, landscape waste and large bulk items. Additional service fees apply and prepayment is required. No items containing Freon® are accepted and bundles must be 4' in length, 18" high and 18" deep. Contact customer service for disposal options.
