For Discussion

Road Maintenance Fund

Gates

The Board discussed access for Chenango and Chapparral residents by subscription as well as how to distribute the RFID windshield stickers. Hours of operation were also discussed. Details are being finalized.

2021 Financial Forecast Update

Town Administrator Proctor presented the Financial Forecast update, noting Town finances are in good shape as we move into 2021.

Reports

Mayor

Mayor Jones had a banner printed for the Foxfield Food Drive, which will be attached to the trailer. Donations are coming in, from Foxfield residents as well as from neighboring communities.

Members of the Town Board

Trustee Thompson asked if the Town has solicited road maintenance bids. Town Administrator Proctor responded that SEH is working with Parker again to share expenses and a bid should be received soon.

Trustee Cockrell reported there was a good response to the crime survey. The majority of the reported crimes involve mail or package theft or damage to mailboxes. She noted a good step to take in thwarting mail theft is a locking mailbox.

Trustee Cockrell requested an executive session to discuss a possible grant from DRCOG for land acquisition.

Town Clerk Gallivan will talk to Nextdoor in an effort to solve the problem of the agency account not being present in subscriber's accounts.
