2021 Addendum to Terracare Contract

Following questions about additions and deletions to the service schedule, this issue was tabled to hold further discussion with Terracare.

For Discussion

Security Guard

Due to a perceived increase in minor crime in Foxfield, the Board discussed hiring a part-time private security guard for random patrols. Trustee Cockrell will send out a survey to residents to get input regarding this issue.

Reports

Mayor

Regarding the planned food drive, Mayor Jones will research if the school district would like to receive the donations for their food pantries. The food drive will begin on January 18 and run for two weeks.

Members of the Town Board

Trustees Snell-Johnson and Finch both reported that children's books go quickly from the library boxes. They would like to request more donations of children's books, but all book donations are always welcome.

Trustee Freas again asked about a separate fund for road maintenance monies. Town Administrator Proctor is researching this and will have a report at the January 21 meeting.

Trustee Thompson reported the light in the tunnel is still out and there is still graffiti there. The grate over the waterway still needs to be secured. The trash needs to be emptied.

Trustee Thompson asked about the difference in diameter between the culvert for the gate roadwork and the culvert already installed for a resident's driveway. Town Administrator Proctor will check with SEH.

Trustee Cockrell reported that DRCOG has a number of grants available that might be of use to the Town, perhaps for traffic calming or a sidewalk along E. Arapahoe Road.

Trustee Farreau reported that she and Mayor Jones met with Arapahoe County regarding traffic flow and a sidewalk along E. Arapahoe Road. The County received a Safer Main Street grant from DRCOG that could possibly be used to install the sidewalk, which would require a 20% match from the Town. They are checking into the feasibility of the Town being able to use Open Space funds for that match. They are also working on changing the median to make the left turn from E. Arapahoe Road onto S. Buckley Road (into The Farm) less of a bottleneck, and they are planning a traffic light study for the intersection of E. Arapahoe and S. Buckley/S. Richfield.

Town Staff

Town Administrator Proctor noted gate updates will be posted on the Town website.
