**Financial Forecast Update**

Town Administrator Proctor reported that we are beginning to receive sales tax from March when the pandemic began.. She believes the increase we received in sales tax may be due to panic and people stocking up on supplies in March. It will be several more months before an overall trend emerges.

Trustee Cockrell requested a new agenda item entitled Future Agenda Items. Trustee Farreau requested some research into Bob's Rules of Order rather than Robert's Rules of Order as the underlying guidelines for meetings. Allowing audience members to speak on specific agenda items during the discussion was considered.
