

MEMORANDUM

TO: Mayor Jones and Members of the Board
FROM: Karen Proctor, Town Administrator
DATE: January 7, 2021
RE: Municipal Code Revisions

DISCUSSION:

This study session is to finalize the changes to the Municipal Code regarding outdoor storage of vehicles and to continue discussion on outdoor storage of “junk, trash, garbage..”.

Below are the sections from the current Municipal code that deal with outdoor storage of vehicles and junk. Staff has made edits based on the Board’s previous discussions. A public hearing will be scheduled when these revisions have been approved by the Board.

CODE Sec. 7-1-20. Nuisance defined.

Nuisance includes:

(7) The existence, without limitation, of any of the following conditions:

a. Outdoor storage.

1. No person shall be permitted to store items or materials in a public right-of-way.
2. The accumulation of junk, trash, garbage, stale or odorous matter, including improperly maintained compost or manure piles that emit odor or similar materials that constitute a threat to the health or safety of any person, or that contribute to blight and ~~property-land~~ degradation, is prohibited.
3. The outdoor storage or accumulation of the following items on private property, other than in a fully enclosed structure or properly screened, is prohibited:

a) Attractive nuisances generally considered dangerous to children, including abandoned, broken or neglected vehicles, equipment, machinery, refrigerators and freezers, hazardous pools or excavations related to construction sites.

b) Tools, equipment, inventory and other supplies utilized in the operation of a business ~~or more than one (1) vehicle used in operation of a business,~~ whether such business is a home occupation being conducted in accordance with the zoning regulations contained in Chapter 16 of this Code, or is conducted off-site.

c) Tools, equipment and other supplies utilized in construction or landscaping. However, homeowners who have a current, valid building permit are allowed to neatly store small quantities of required supplies during construction or remodeling.

d) The parking or storage of any unlicensed or inoperable vehicle. This Subparagraph is not meant to prohibit outside storage of bona fide collector's items when stored in compliance with Section 42-12-101, et seq., C.R.S., and other applicable ordinances.

e) The parking or storage of any passenger vehicle, ~~recreational other~~ vehicle ~~trailer, boat~~ or other articles of personal property, not owned by the occupant of the property upon which it is parked, stored or used, for longer than a period of ten (10) days.

f) The parking or storage of more than a total of ten (10) vehicles (Passenger or Other) with a maximum of five (5) of the ten (10) being other vehicles. Any vehicles in addition to those allowed by this paragraph must be screened from passing traffic and out of sight of contiguous property owners. Screening must be in compliance with all other sections of the Code.

g) It is unlawful to park, store or permit to stand any passenger vehicle on a portion of residential property unless the vehicle is parked on a driveway that connects to a public street.

~~g) The parking or storage of commercial or industrial vehicles, except that one (1) vehicle used in the operation of a business by an owner and or occupant of the property is permitted: (a) in accordance with Chapter 16 of this Code applicable to home occupations; or (b) to allow for an occupant of a residence who is provided a business vehicle for personal use.~~

h) The parking or storage of any Class 6-9 vehicle (weight exceeding 19,501 pounds). ~~vehicle with a gross weight greater than thirty-six thousand (36,000) pounds, recreational vehicles excluded.~~

7-1-10 Definitions:

Collector's item means a motor vehicle or implement of husbandry that is at least twenty-five (25) years old and is of historic or special interest. In order to be considered a collector's item, a motor vehicle must meet all criteria of a "collector's item" as defined in Section 42-12-101, et seq., C.R.S., in addition to all other applicable statutes and ordinances.

Garbage means and includes any vegetable or animal refuse, food or food product, matter from a kitchen, offal or carcass of a dead animal which, if deposited within the Town other than in a garbage receptacle, tends to create a danger to public health, safety and welfare or to impair the local environment. The use in this Section is not meant to prohibit properly maintained, odorless compost or manure piles.

Hazard to public health, safety and welfare shall include any activity so recognized by the laws and regulations of the United States, the State or the ordinances of the Town. Such hazards shall also include, but not be limited to, activities likely to cause foul or offensive odors, promote the growth or propagation of disease-carrying insects, pollute the air or ground waters of adjacent property, create loud or offensive sounds, cause drainage and runoff to occur in other than historical patterns or dead trees or vegetation that constitute such a hazard.

Implement of husbandry means every vehicle, farm tractor or machine that is designed, adapted or used for agricultural purposes.

Inoperable vehicle includes any vehicle that:

- a. Would be required to be licensed if operated on a public highway, but does not display current, valid license plates;
- b. Does not work, move or run;
- c. Is not functioning;
- d. Is not operable for the function for which it was designed; or
- e. Does not comply with the minimum safety requirements of the Colorado Motor Vehicle Law.

Junk shall include any old, used or secondhand materials of any kind including, without limitation, cloth, rags, clothing, paper, rubbish, bottles; rubber, iron, tires, brass, copper or other metal; furniture; refrigerators, freezers, all other appliances; the parts of vehicles, apparatuses and contrivances and parts thereof which are no longer in use; any used building materials, boards or other lumber, cement blocks, bricks or other second hand building materials; or any discarded machinery, vehicles or any other article or thing commonly known and classified as junk.

Litter means the scattering or dropping of rubbish, trash or other matter, organic or mineral.

Other Vehicles means class 4-5 (14,000-19,500 pounds) and Recreational Vehicle classes A,B and C. Other vehicles also include trailers (with or without vehicles on them), ATVs, jet skis and boats.

Trash means that which is worthless or useless and includes but is not limited to any and every refuse, rubbish, garbage, debris, waste material, paper, cartons, bottles, boxes, crates, barrels, plastic object, wooden object: wood (except stacked firewood and stacked construction materials), ~~tree branches, yard trimmings, dead plant material~~; wood or upholstered furniture or bedding; rubber, metals, tin or aluminum cans, metal furniture; chemical compound, petroleum product or compound, paint; automobile part or accessory, tire, wheel; food or food product; solvent, dye, beverage; offal composed of animal matter or vegetable matter or both; dirt, rock, pieces of concrete, bricks, glass, crockery or other minerals or mineral wastes; junk; or any noxious or offensive matter whatsoever. However, such does not include earth and waste from building construction during the period in which a valid building permit issued by the Town is applicable.

Passenger Vehicle means Class 1-3 (weight under 14,000 pounds). Includes, but is not limited to: automobiles, four-wheel drive passenger vehicles, pick-up trucks, passenger vans, motorcycles or SUVs. ~~a machine propelled by power other than human power designed to travel along the ground, in the air or through water by use of wheels, treads, runners, slides, wings or hulls and to transport persons or property, to pull non self-propelled vehicles or machinery, and includes, but is not limited to: automobile, airplane, boat, bus, truck, trailer, motorcycle, motor home, recreational vehicle, camper, truck tractor, implements of husbandry, mobile machinery and self-propelled construction equipment. For the purposes of this Section, the term vehicle includes implements of husbandry.~~
