

To Whom It May Concern:

Motor vehicle purchases are specifically exempt from the Town of Foxfield 3% use tax.

Building materials delivered to a building site in Foxfield are subject to the 3% use tax in lieu of sales tax, if the value exceeds \$20,000 and the materials are delivered. The use tax will be levied on the total value of the building materials. This is normally collected through the building permit process.

The zip code of 80016 should not be the determining factor for these purchases, as that zip code is shared by Foxfield, Aurora and Centennial.

The only applicable taxes for motor vehicle purchases or building materials as specified above will be:

State of Colorado	2.90%
Arapahoe County	0.25%
SCFD	0.10%
RTD	<u>1.00%</u>
	4.25%
