New Board of Trustees

The April 2022 Election was cancelled
due to lack of candidates for two of the
three open seats.

Dave Goddard, the only candidate on the
ballot, was declared elected by resolution as
Ward 2 Trustee

Following applications and interviews,
the following residents were selected to
fill the vacant seats on the Board until
the April 2024 election (these will be
two-year terms).

Ward 1 Trustee—Tim Schultz

Ward 3 Trustee—Joe “Hark” Herold

**Please welcome these new members
to the Board of Trustees.**

Many thanks to the other applicants:

Mark Gibson
Vanessa Guzman
Sarah Staal

Tim Schultz, Ward 1 Trustee

tschultz@townoffoxfield.com

Growing up within Foxfield, I always felt the special connection to what makes our town a truly great place to live. After graduating from William Penn University in 2009 with a degree in Business Management and Minor in Economics, I worked as a mortgage underwriter before transitioning into the financial services industry in 2011. I enjoyed helping businesses as a sales rep, before aligning to the management side of the business in 2014. Currently I am a Senior Sales Manager in the FinTech space.

In 2015, I officially became a homeowner in the town, and have loved every minute of it! I can usually be found tinkering with cars, coaching/playing soccer, or enjoying all that the Colorado outdoors has to offer. Looking forward to serving the town and meeting those of you that I haven't yet!

Joe "Hark" Herold, Ward 3 Trustee

jherold@townoffoxfield.com

[Joe "Hark" Herold](#) is the President and Chief Operating Officer for [Bunker Labs](#), a national non-profit supporting military veteran and military spouse startups and small business owners. Hark earned a Bachelor of Science from Iowa State University and holds Masters degrees in National Security Strategy and Public Administration. Additionally, he is a graduate of executive education programs at the Harvard Kennedy School, Carnegie Mellon University School of Design and the Wharton School of Business.

Hark and his wife, Cynthia Wright, both retired from the Air Force as colonels and during their military careers had numerous stateside and overseas assignments to include combat deployments to Iraq. They moved to Foxfield in December 2015 and have four sons and two grandchildren.

Small Business Grant Opportunity

On May 10, 2021, the U.S. Department of the Treasury announced the launch of the Coronavirus State and Local Fiscal Recovery Funds, established by the American Rescue Plan (ARP) Act of 2021. These funds provide \$350 billion in emergency funding for eligible state, local, territorial, and Tribal governments to help with their response to the COVID-19 emergency and its economic impacts.

The Town of Foxfield received some ARP funds and would like to offer grants to our Foxfield small business that have been negatively impacted by the COVID pandemic. To find out if your business is eligible, please visit the Town website at <https://townoffoxfield.colorado.gov/> for the grant parameters and a grant application.

The deadline to apply for a grant is **Friday, May 20th, 2022.**

GATE UPDATE

Thank you all for everyone's patience as we worked out several growing pains with the gates. The Town is currently working on purchasing cameras to be installed at each gate location. The goal of the cameras is to help determine the cause of some of the problems we experience and to possibly be able to recover some repair costs from vehicles that may be hitting the gates.

If you see that the gates are not operating correctly, please report the problem via text immediately to the Town Administrator, Karen Proctor at 303-905-9339. We have a team of Board members and residents that have been trained to fix a broken gate arm. The sooner we are made aware of a problem. the sooner it can be repaired.

Many thanks to the following residents who have been a tremendous help with the gates—

Debby and Bob Farreau
Josie Cockrell
Pam Thompson
Lisa Jones
Sarah Staal
Ryan Tirashi
George Poggioli
Frank Lawrence

and many others who have notified us of problems with the gates!

2022 Town of Foxfield Budget

A copy of the 2022 adopted budget can be found on the Town of Foxfield's website at <https://townoffoxfield.colorado.gov/government/financial-reports>.

The Town of Foxfield has three major funds: The General Fund, the Open Space Fund and the Conservation Trust Fund. In addition, in 2021 the Town added two small funds, a Road Maintenance Fund and the American Rescue Plan Fund.

The General Fund is the major operating fund of the Town and is used to account for all financial activities that are not required to be accounted for in another fund.

The Open Space Fund was created to account for sales tax revenues generated from the Arapahoe County Open Space ballot measure (Resolution No. 030381). The Town receives a shareback of the tax revenues collected. These funds may be used to acquire real property and easements, and to improve, restore and protect open space. The funds may also be used for environmental education programs.

The Colorado Revised Statutes require the establishment of the Conservation Trust Fund if a local government desires to receive state allocations of funds for the acquisition, development and maintenance of park and open space properties. The Colorado Lottery is the primary revenue source of this fund.

The Board of Trustees passed a resolution in 2021 to commit funds for the current and long-term maintenance of the roads. These funds are accounted for in the Road Maintenance Fund.

In 2021, the Town of Foxfield received American Rescue Plan funds from the United States government to help with expenses, and reduced revenues, due to the COVID pandemic. These funds are accounted for in the American Rescue Plan Fund.

Any questions or comments regarding the budget or Town finances can be emailed to the Town Administrator, Karen Proctor, at:

kproctor@townoffoxfield.com.

LET'S CELEBRATE FOXFIELD!

CODE ENFORCEMENT

As we begin to transition into the warmer times of the year, we would like to remind everyone of some common Code Enforcement violations and ask that everyone do their part in keeping our community beautiful as well as safe.

Listed below are some of the most common violations of the Municipal Code:

7-1-20(7)(c): Noxious Weeds

Municipal Code requires that all noxious (aggressively invasive) weed growth must be properly removed or controlled to prevent the overgrowth into other properties. Not only is this aesthetically appealing, it reduces potential fire hazards as well as unwanted animals hiding out in the weeds. Please keep in mind that since this has been such a major issue in Town, you will only be given one courtesy notice. If the property is still in violation past the timeframe given, a summons will be issued.

More information on noxious weeds is available through the Department of Agriculture at <https://www.colorado.gov/agmain>.

7-1-20(7)(a)(3)(b): Illegal or Inoperable Vehicles

All vehicles must be fully operable (meaning it starts, stops, runs and drives as it should), and legal (current license plates and etc.). Vehicles that are inoperable or illegal may be stored within a closed structure or garage. Covering the vehicle, or trying to conceal the expiration date, is not allowed and is still an enforceable violation.

7-1-20(7)(a)(3)(d): Outdoor Storage of Vehicles

A total of 10 vehicles may be stored on the property in public sight, and they all must be legal and operable. This quantity also includes campers, trailers, etc. Anything over this limit must be stored in a garage/enclosed structure or properly screened from view, or removed.

7-1-20(7)(a)(2): Outdoor Storage of Blight (Junk)

This applies not only to trash, but includes discarded appliances, discarded furniture, automotive parts/tools, construction materials/tools (unless an active building permit exists), piles of scraps, etc. Such items should be properly stored in a fully enclosed structure/garage, or completely screened from public view.

7-1-20(7)(c)(3)(a)(b): Dead/Dying Trees

Dead or diseased trees need to be properly removed. They pose not only a fire hazard but also safety hazards should a decayed branch fall onto an adjacent property or street. 11-4-110(b) Culvert Maintenance In order to maintain proper drainage flow it is very important to ensure that all culverts at your property are clear of obstructions (grass, etc.), are not damaged, and allow for smooth water flow.

6-4-50: Grading and Erosion

Requires proper permitting prior to any such work being conducted. Once obtained, you will be assisted with related requirements, setbacks, variances, etc.

Thank you for doing your part!

NOXIOUS WEEDS IN FOXFIELD

List A: Rare noxious weeds that are subject to eradication wherever detected statewide in order to protect neighboring lands and the state as a whole.

List B: Noxious weed species with discrete statewide distributions that are subject to eradication, containment or suppression in portions of the State designated by the Commissioner in order to stop the continued spread of these species.

List C: Widespread and well-established noxious weed species for which control is recommended but not required by the State, although local governing bodies may require management..

<SAVE THE DATE>

Clean-Up Day – Sat, June 11th

8:00 am to 1:00 pm

Wood chipping & scrap metal collection will be provided.

Sign up sheets will be available closer to the date via email.

Note the following items may **not** be disposed of in the dumpsters:

Hazardous waste, including appliances, refrigerators, microwaves, TVs, computers, A/C units; herbicides, asbestos, pesticides, chemicals, toxic or flammable materials such as paint, oil, fuel, gasoline cans, aerosol cans, propane containers, lawn mowers, tires.

<AS ALWAYS WE ARE SEEKING VOLUNTEERS FOR THE DAY>

FOXFIELD FLASH

Foxfield is working on an alert system to send texts to residents to warn of dangerous weather, approaching wildfires, law enforcement activity in the area, malfunctioning gates, or any other hazards or warnings that would help keep residents safe.

Anyone who would prefer to receive all Town information via text rather than email could also sign up for that service.

Send an email to the Town Clerk with your name, address and text number to be added to the list.

You will receive a text with instructions as to how to proceed.

Meet and Greet / Fireside Chats

Call them what you want. As your Trustee-At-Large I would like to host several informal gatherings to better connect with you, our constituents.

The goal is to facilitate two way conversation, answer questions and provide an opportunity to put a face to a name. To me, two-way communication is essential as a member of the Board and is key to a cohesive community. These chats will hopefully also help me refocus and/or confirm that I am representing your various points-of-view of you, our Foxfield residents, in a nonpartisan manner.

**Open House concept to all Foxfield residents at my home -
16719 E. Easter Ave.**

Wednesday, April 27th – 6-8 PM

Saturday, April 30th – 10 AM-12:30 PM

Tuesday, May 3rd – 6-8 PM

Friday, May 6th – 9:30 AM-12 PM

Please call or email with a tentative RSVP for any date(s). Stop by for 5 minutes or stay as long as you'd like, just don't make me regret those words.

Not able to attend a scheduled meeting? I would be glad to set time aside for you – your home or mine. Contact me and we will get it on the calendar.

Thank you in advance.

COMMUNITY GARAGE SALE

July 15-16

Foxfield residents are invited to participate in the community garage sale on Friday & Saturday, July 15 and 16.

Residents are responsible for sale items at their own homes.

Advertising will be provided for this event by Jim Rauh of Rauh Appraisal Company LLC.

Jim will also post banners on Arapahoe and Parker Roads.

Participants are encouraged to put up individual signs, arrows or balloons to easily identify their location.

Remember to take your signs down when the sale is over!

LARGE ITEM PICK-UP DAY **Saturday, July 23**

Republic Services will pick up large items that do not fit in the weekly trash on July 23. Please have your items out at the end of your driveway by 7:00am to guarantee they will be picked up.

Limit of 5 items per household.

- *Please bag or bundle all materials*
- *Do not pack bags or bundles more than fifty (50) pounds*
- *Please cut branches, scrap wood and play equipment to pieces no longer than 4 feet*

NO hazardous or bio-hazardous waste, landscape/yard/construction materials, metal appliances, automotive parts or fluids, or electronics

Arapahoe County Emergency Alert System

In Arapahoe County, ArapAlert utilizes the CodeRed system to allow Public Safety Agencies to warn citizens/residents/visitors of danger and other important information. The agencies can call, text or email to warn of dangerous suspects, flood, fire, chemical spills or any other immediate hazards.

ArapAlert also has an emergency notification app. Unlike the database, the app will send notifications when you are in geographic proximity to a warning area.

Sign up here to get ArapAlert, the County Emergency Alert System:
