

July 5 - 31, 2021

**18149 E. Hinsdale Avenue
(trailer on east driveway)**

Foxfield is sponsoring a food drive that will benefit the Cherry Creek School District Food Pantry program. The District has set up food pantries in several Middle Schools to provide food for students and families in need throughout the District. There are, unfortunately, many families who do not have enough to eat. Students and their families need a little help in the summer also.

Vanessa and Leo Guzmán have graciously volunteered to collect donations beginning Monday, July 5. Call Vanessa any time at 303-501-0107 if you have any questions or issues opening the trailer.

There will be a food-safe trailer parked in the east driveway at 18149 E. Hinsdale Avenue for safe, non-contact delivery of your donations. Please remember to close the trailer when you leave to keep critters and insects away from the food.

The School District has requested non-perishable items in sealed packages or containers. Canned food, pasta, macaroni and cheese, cereal, oatmeal, Ramen noodles and many other items are needed.

Two of the most requested items are canned or packaged tuna and peanut butter.

Please do not donate anything that is perishable or requires refrigeration, or that is expired or has a short shelf life. This includes fresh produce and bread/bakery products.

THANK YOU FOR HELPING FAMILIES IN NEED!!!!
