BOARD OF TRUSTEES MEETING

August 19, 2021

Call to Order/Roll Call

The virtual meeting was called to order at 6:30 p.m. via Zoom.

The following Trustees were present: Amy Snell-Johnson, Debby Farreau, Josie Cockrell, Pam Thompson, and Mayor Jones. A quorum was present.

Consent Agenda

Trustee Thompson asked for clarification on two items in the Treasurer's Report.

Mayor Jones moved, seconded by Trustee Snell-Johnson, to approve the following item on the Consent Agenda:

- a. Approval of Minutes – August 5, 2021
- b. Financial Reports – July 2021

The motion passed by unanimous roll call vote.

For Possible Action

Ordinance 2021-06 Repealing and Reenacting Article 2 of Chapter 7 of the Foxfield Municipal Code Regarding Animal Control

Arapahoe County provides animal control services to the Town of Foxfield. Arapahoe County recently passed a resolution changing some of their animal control regulations, so this ordinance adopts those changes. Mayor Jones noted that Town residents need to be notified that there is no longer a dog licensing requirement, but all dogs must get their rabies vaccines.

Mayor Jones moved to approve Ordinance 2021-06 Repealing and Reenacting Article 2 of Chapter 7 of the Foxfield Municipal Code Regarding Animal Control. Following a second by Trustee Cockrell, the motion passed by unanimous roll call vote.

For Discussion

Long Range Financial Forecast

The Board approved Town Administrator Proctor moving forward with researching grants and costs for a Municipal Code review and update.

Revision to the Rules of Procedure

The Board approved a revision to the Rules of Procedure to allow public comments both before and after Board member comments on the "for discussion" items on the agenda.

Social Media

It was decided that the Town will look into a program that would allow the Town Clerk to easily send texts to residents for time-sensitive notifications.

Open Space Clean-Up

It was decided the Town will hire a professional service to clean out the debris and excess dead branches in the wooded area in the Open Space, with preservation of the wildlife habitat a priority.

The Board will pursue the project to get a mural painted in the pedestrian tunnel in the Open Space.

Reports

Members of the Town Board

Trustee Thompson asked about the Community Garage Sale this year. It was decided to schedule it for September 17-18. She asked if ARPA funds could be used to upgrade broadband service in Foxfield. She also noted that the gates are illuminated at night.

Trustee Farreau reported that she attended a virtual meeting with Tri-County Health where the discussion centered around how to move forward without Douglas County as a participant. No decisions were made.

Trustee Cockrell reported DRCOG is working on possibilities to curtail speeding and slow drivers down in the metro area.

Town Staff

Town Administrator Proctor reported the repairs on the gate loop and sensor had been completed. We will be scheduling testing for school buses, law enforcement and fire department vehicles as soon as possible.

Town Clerk Gallivan confirmed the gates are covered property under the CIRSA insurance policy.

Town of Foxfield

Use and Retention Policies and Procedures for Electronic Mail

September 27, 2010

The use of e-mail communications has implications under both the Colorado Open Meetings Law, Section 24-6-401, et seq., and the Colorado Open Records Act (CORA), Section 24-72-201, et seq. The policies and procedures need to ensure that the practices of elected officials comply with the statutory requirements of both of these laws.

Electronic Mail (E-mail) – An electronic message that is transmitted between two or more computers or electronic terminals, whether or not the message is converted to hard copy format after receipt and whether or not the message is viewed upon transmission or stored for later retrieval. Mail received or sent, in any format, contains a variety of information, or content, and each e-mail should be managed in a way that appropriate for its content. Treat each e-mail as if it were received in a paper format through the mail. The Board's e-mail likely will fall into two general categories:

- **Enduring Long-Term Value** – Documentation or correspondence with enduring and long term administrative, policy, legal, fiscal, historical, or research value; records that relate to policy issues and actions or activities in which an important precedent is set; records of historic events relating to the municipality or the community; and other similar records and documentation. These documents have a permanent retention period.
- **Routine Value** – Operating documentation that is routine and contains no significant administrative, legal, fiscal, historical, informational or statistical value. Includes routine letters or memoranda sent and received, reading or chronological files that are kept solely for convenience and contain duplicates of memos or letters that are also filed elsewhere, routine requests for information, transmittal document, etc. These documents have a retention period of one year plus the current year.
- **Transitory Value** – General documentation of extremely short-term value, including advertisements, drafts and worksheets, desk notes, copies of materials circulated for informational "read only" purposes, other records with preliminary or short-term informational value. These documents can be destroyed once they are read.

Use of Email Communications by Public Officials

- E-mail communications between three or more elected officials concerning public business and/or pending legislation are declared to be a public meeting and are prohibited.

APPENDIX A

Town of Foxfield

Use and Retention Policies and Procedures for Electronic Mail

September 27, 2010

The use of e-mail communications has implications under both the Colorado Open Meetings Law, Section 24-6-401, et seq., and the Colorado Open Records Act (CORA), Section 24-72-201, et seq. The policies and procedures need to ensure that the practices of elected officials comply with the statutory requirements of both of these laws.

Electronic Mail (E-mail) – An electronic message that is transmitted between two or more computers or electronic terminals, whether or not the message is converted to hard copy format after receipt and whether or not the message is viewed upon transmission or stored for later retrieval. Mail received or sent, in any format, contains a variety of information, or content, and each e-mail should be managed in a way that appropriate for its content. Treat each e-mail as if it were received in a paper format through the mail. The Board's e-mail likely will fall into two general categories:

- **Enduring Long-Term Value** – Documentation or correspondence with enduring and long term administrative, policy, legal, fiscal, historical, or research value; records that relate to policy issues and actions or activities in which an important precedent is set; records of historic events relating to the municipality or the community; and other similar records and documentation. These documents have a permanent retention period.
- **Routine Value** – Operating documentation that is routine and contains no significant administrative, legal, fiscal, historical, informational or statistical value. Includes routine letters or memoranda sent and received, reading or chronological files that are kept solely for convenience and contain duplicates of memos or letters that are also filed elsewhere, routine requests for information, transmittal document, etc. These documents have a retention period of one year plus the current year.
- **Transitory Value** – General documentation of extremely short-term value, including advertisements, drafts and worksheets, desk notes, copies of materials circulated for informational "read only" purposes, other records with preliminary or short-term informational value. These documents can be destroyed once they are read.

Use of Email Communications by Public Officials

- E-mail communications between three or more elected officials concerning public business and/or pending legislation are declared to be a public meeting and are prohibited.

RE: Draft Resolution Regarding Animal Control Fees

DISCUSSION:

Ordinance 2021-06 was approved by the Board on August 19, 2021. The Ordinance states that the animal control fees will be set by a separate Resolution. The fees in this Ordinance were set and adopted by Arapahoe County. At the suggestion of Town Attorney Hoffmann, \$65 was added as to the impoundment charges to be paid to the Town of Foxfield because this is a fee that the Town must pay for the Officer and Clerk Gallivan invoices to the resident.

If the Board approves this draft resolution, staff will bring it back for adoption at the next Board meeting.

Exhibit A: Draft Resolution Regarding Animal Control Fees

Trustee's Resolution

Resolution No. 08, Series 2021

**A RESOLUTION OF THE BOARD OF TRUSTEES FOR THE TOWN OF FOXFIELD,
COLORADO ADOPTING A FEE SCHEDULE FOR ANIMAL CONTROL SERVICES**

WHEREAS, the Board of Trustees has adopted Ordinance 2021-06 Regarding Animal Control, which may be amended from time to time, to provide reasonable regulations and restrictions for the control, licensing and impoundment of dogs and other pet animals as the Board deems necessary; and

WHEREAS, the Animal Control Services Ordinance provides for the imposition of fees to cover the costs of certain services provided by the County under or in accordance with the Animal Control Ordinance; and

WHEREAS, the Animal Control Services Ordinance contemplates that the Board establishes and amends such fees from time to time and may do so by separate Resolution; and

WHEREAS, the Arapahoe County Animal Services Manager and the Town of Foxfield have recommended and proposed that the Board amend the existing fee schedule and approve fees for services for returning an animal to the owner, disposal of deceased animals, and costs for impounding of animals; and

WHEREAS, the Board has considered such proposed fee schedule and finds such fees to be reasonable and reasonably related to the costs of such services.

NOW, THEREFORE, the Board of Trustees for The Town of Foxfield hereby resolves as follows:

1. That the following fees are established for the administration of the Animal Services Resolution:
 - a. Return to Owner Fee: \$50.00 (this fee is paid to the Animal Services Officer, not the contracted facility, upon the return of the animal to an owner or keeper. Any fees charged by the contracted facility are separate and apart from the Return to Owner Fee).
 - b. Dead Pet Animal/Wildlife Pickup for Disposal Fee: \$50.00 (this fee is paid to the Animal Services Officer at the time of service).
 - c. Cost of Impound Fee: \$65.00 (this fee is paid to the Town of Foxfield upon receipt of invoice) in addition to the amount set by the impound facility Arapahoe County contracts to house such impounded animals.

2. That such fees shall apply to the above services and to the Animal Services Ordinance in effect at the time of the provision of the services for which the fees are charged and that the Board may amend the fees schedule by Resolution from time to time without necessity of additionally amending the Animal Services Ordinance then in effect.
3. That this Fee Schedule shall take effect immediately upon passage of this Resolution on September 16, 2021.

DATED, at Town of Foxfield, Colorado, this _____ day of _____,
2021.

RE: Text Messaging Alert Options

DISCUSSION

The Board requested information and options for a text messaging to send alerts to the residents.

Staff looked into many options including EZ Texting, Textline, ZipWhip, Slick Text, PageGate and Ring Central. Some of these services allow texts to be sent from a computer; others require a cell phone. Some limit the number of texts that can be sent and some are unlimited. The average cost for each is about \$25/month.

Based on the research, Staff is suggesting the Town try Ring Central. The cost is \$27.99/month, the messages can be sent from the computer so we do not need to purchase a Town cell phone, and it allows unlimited texting.

RE: Open Space Clean Up

DISCUSSION:

Following are some items for discussion:

Landscaping-

Attached as Exhibit A is the proposal received from Terracare for the following work in the Open Space:

- Removal of all underbrush, existing sprouts, dead trees and disposal of all debris.
- Prune existing living trees and deadwood and raise to 8' clearance from ground.
- After pruning, spray sprouts (suckers) in 2022 three times to eliminate / minimize additional growth.

The initial pruning and removal are proposed to be done in the fall to winter months for easier access to work zone and lessen the chances of happening upon things that bite.

The total cost is \$24,540. The current Open Space Fund balance is \$163,766. These funds can be used for this project.

Staff contacted Mile High Flood District to see if they had any concerns regarding this work and/or if they provided any service to help with the cleanup. As of the writing of this memo, no response has been received.

Would the Board like to accept this bid? Or would the Board like staff to contact additional arborists for bids?

Graffiti-

The majority of the Board has approved the posting of a sign in the pedestrian tunnel saying, "Whoever is tagging this wall, we'd like to have you paint a full mural for us. Please call 303-680-1544". Staff can make the signs and is seeking a volunteer from the Board to post the signs at each end of the tunnel.
